

A Typical Day in Phoenix Risen Class

Hello Children and Parents!

We thought we'd tell you all about a typical day in Phoenix Risen class so that you'd know what to expect when you arrive. When you join us, we feel that it is very important to involve parents in their children's learning. Children should, ideally, arrive to nursery by 9:30am when the morning session of Circle Time starts. The children are each given an opportunity to tell us their news and share their stories and feelings.

We're really looking forward to you coming and being with us in Blue Phoenix Rising...
