SENCo	Lucy Meyer
Lead Internal Verifier	Aaron Williams
IT lead	Shaun Watson

What does this policy affect?

This policy affects the delivery of subjects of GCE and GCSE qualifications which contain a component(s) of non-examination assessment.

The regulators' definition of an examination is very narrow. In effect, any type of assessment that is not:

- set by an awarding body
- designed to be taken simultaneously by all relevant candidates at a time determined by the awarding body, and
- taken under conditions specified by the awarding body (including conditions relating to the supervision of candidates during the assessment and the duration of the assessment)

is classified as non-examination assessment (NEA).

'NEA' therefore includes, but is not limited to, internal assessment. Externally marked and/or externally set practical examinations taken at different times across centres are classified as 'NEA'. (JCQ's **Instructions for conducting non-examination assessments**, Foreword)

[This publication is further referred to in this policy as NEA](#)

Purpose of the policy

The purpose of this policy, as defined by JCQ, is to:

1. cover procedures for planning and managing non-examination assessments
2. define staff roles and responsibilities with respect to non-examination assessments
3. manage risks associated with non-examination assessments

The policy will need to cover all types of non-examination assessment. [NEA 1]

What are non-examination assessments?

Non-examination assessments measure subject-specific knowledge and skills that cannot be tested by timed written papers.

There are three assessment stages and rules which apply to each stage. These rules often vary across subjects. The stages are:

- task setting;
- task taking;
- task marking. ([NEA](#), section 1)

Procedures for planning and managing non-examination assessments identifying staff roles and responsibilities

The basic principles

- Check the awarding body's subject-specific requirements and ensure candidates take tasks under the required conditions and supervision arrangements
- Ensure there is sufficient supervision to enable the work of a candidate to be authenticated as their own work
- Is confident where work may be completed outside of the centre without direct supervision, that the work produced is the candidate's own.
- Where candidates work in groups, keep a record of each candidate's contribution
- Ensure candidates are aware of, understand and comply with the regulations in JCQ documents
